Boston, MA 02203-2210

Dear Mr. Calder:

I wish to confirm the conversation with James Stavis that the Greenland, New Hampshire facility referred to in your letter is no longer a Booth Fisheries company.

In addition, at no time has this company, North Coast Seafoods, been affiliated with the company in New Hampshire. It is my understanding that Booth Fisheries sold the entire operation approximately five years ago to National Sea Corporation.

If additional information is needed, please do not hesitate to call either myself or Mr. Stavis.

Sincerely,

Harvey Lemovitz
Controller
